OFFICIAL

Travel update

Here is the current schedule for approving travel in CEFMS:

March 27-31	Betty O'Donnell	(603) 646-4355
April 3-7	Vicki Ray	(601) 643-2378
April 10-14	Betty O'Donnell	
April 17-21	Vicki Ray	
April 24-28	Betty O'Donnell	

As always, if you have a question please contact your local Travel Specialist. In the event she is not available you may contact any ERDC Travel Specialist. (Terri Norman, Team Leader, Travel Section (217) 373-6708)

Commander's mailbox

ERDC team members are reminded that an electronic mailbox has been established to allow employees to send questions and/or comments to the Commander. If an employee wishes to remain anonymous, his or her name will be deleted from the question before it is forwarded to the Commander for comment. Employees' questions will be answered via return e-mail. Answers to anonymous and frequently asked questions will be posted in the Employee Information Bulletin.

The address in Outlook is, "ERDC Commander." Again, all information is kept strictly confidential and all questions are addressed directly by the Commander.

ERDC publications on Internet

The ERDC Publication Bulletin serves as the official notification of new ERDC forms and publication, as well as rescissions or changes to existing forms or publications. As of Sept. 10, 1999, ERDC official publications ceased to be printed (i.e., Center Regulations, Circulars, Pamphlets, or Commander's Policy Memoranda). All ERDC official publications are now distributed in electronic format on the ERDC web site located at <http://erdc.usace.army.mil/pubs/index.htm>.

Open Announcements:

Senior Management Positions in Research and Development

Director

Engineer Research and Development Center

Location: Vicksburg, Miss.

Technical leader for eight Corps research laboratories in four dispersed locations. Responsible for a staff of 2,100, a research program of more than \$430 million, and more than \$1.2 billion in facilities and equipment. Leads innovative research efforts in coastal and hydraulic engineering, construction materials and methods, topographic engineering, cold region effects, structural and geotechnical engineering, environmental quality, and information technology.

Director

Construction Engineering Research Laboratory

Location: Champaign, Ill.

Leads 325 engineers, scientists and support personnel in providing improved structures, materials and management methods for military installations and training facilities. Also provides research products to improve environmental quality at military installations.

Director

Topographic Engineering Center

Location: Alexandria, Va.

Leads 310 professionals engaged in innovative research to develop and exploit topographic, geodetic and space-related technologies for large-scale civilian projects and for targeting systems, battlefield information, and terrain systems in the military arena.

Director

Environmental Laboratory

Location: Vicksburg, Miss.

Leads diverse engineering and scientific staff of more than 375 in such research areas as wetlands, dredging, endangered species, environmental cleanup, nuisance species, water quality, and natural resource management.

More specific details on the missions, research capabilities, equipment, staff, projects, and programs of the above research organizations can be obtained at <http://www.erd.usace.army.mil>. These are Senior Executive Service positions with salaries ranging from \$113,000 to \$130,000.

For information on how to apply for any of these positions, visit <http://www.usajobs.opm.gov> and click on the Senior Executive Service area, or contact Mr. Tom Peters at (202) 761-1763.

(U.S. Citizenship Required - Equal Opportunity Employer)

Contract Specialist

Classifieds

For sale: Southern Yellow Pine (harder than cherry) L-Shaped Bunkbeds from the Great American Bunkbed Co., in Springfield, new condition, complete with a huge rolling under bed storage drawer (perfect for storing extra bedding). Complete with a cubby bookcase, which can be used under the top bunk or anywhere else in the room and two bunkie boards and premium mattresses. I also purchased the chest of drawers to match, which slides right underneath the top bunk. The sale price paid was \$1,200 for the entire set. The regular price is more than \$1,500 and does not include the mattresses. I am asking \$650 for everything but the dresser or \$850 including the dresser. The bed has a lifetime warranty. It is very sturdy and will not wobble when you shake it like most bunk beds. If you ever wanted to add a desk to the set, you can get it at Great American Bunkbed Co. for about \$200. If you have any questions, please contact Michelle at (703) 428-6735, IC 2542.

Golf Tourney

The TEC Golf Association's Spring Fling will be held at Lee's Hill Golf Course on April 13.

Blood Drive

The next TEC Blood Drive is scheduled for April 21.
